

Jocaxian Phrases

155- "How can you worship a Being that allows the rape of children?" (jocax)

154- "If the Big Bang is the beginning of the Universe, then the Universe is finite, for there is no infinite speed for its size to become infinite." (jocax)

153- "Atheists do not deceive themselves; they are honest with themselves, and therefore tend to be more honest with others." (jocax)

152- "Sadness is when you make decisions that stray you from the 'gene-perpetuating' path." (jocax)

151- "Anger is when someone does something that makes you deviate from the 'gene-perpetuating' path you were on." (jocax)

150- "Joy is when you feel that your 'gene-perpetuating' chances have increased." (jocax)

149- "Love is the feeling that makes you cherish and protect the person who can increase your 'gene-perpetuation'." (jocax)

148- "Jealousy is the feeling that makes you prevent another person from stealing the one who can help you in your 'gene-perpetuation'." (jocax)

147- "Fear is the feeling that makes you perceive that something may diminish your 'gene-perpetuation'." (jocax)

146- "Frustration is what you feel when an action that would increase your 'gene-perpetuation' does not happen." (jocax)

145- "Hope is the feeling that there are possibilities for you to increase your 'gene-perpetuating' chances." (jocax)

144- "Nothingness is the simplest thing that can engender maximum complexity." (jocax)

143- "'God is testing you!' If God is omniscient, there is no need to test: He already knows." (jocax)

142- "The Past belongs to the history of the Universe, and therefore cannot be altered." (jocax)

141- "Recognition and fame only after death? Perhaps due to the envy of one's peers in life." (jocax)

140- "Procrastination may be a way for the perfectionist mind to seek more time to improve the project." (jocax)

- 139-** "When something goes right, people say: 'Thank God!' When it goes wrong: 'Man's fault!' Isn't that great Hypocrisy?" (jocax)
- 138-** "The System needs to keep its 'slaves' plugged into a virtual (religious) world to prevent rebellions for justice." (jocax)
- 137-** "Encouraging cesarean births is a form of disguised population control." (jocax)
- 136-** "In death you will have eternal peace. In life, I want passion!" (jocax)
- 135-** "If there were not so much hypocrisy, science would be seeking contact with God." (jocax)
- 134-** "Privatizing is like selling your own house to live on rent." (jocax)
- 133-** "Omission is also a choice." (jocax)
- 132-** "It is not always wiser to invoke the pre-existence of something more complex to explain the existence of something simpler." (jocax)
- 131-** "Under Capitalism, more than 10 million people die of hunger per year." (jocax)
- 130-** "Travel to the past is impossible, since the number of events that have occurred in the Universe does not decrease." (jocax)
- 129-** "Free Will is the sensation that our desires are not controlled by entities external to us." (jocax)
- 128-** "Communist with an iPad: Why in a war could one not use the enemy's own weapons to fight them?" (jocax)
- 127-** "In the great capitalist deals, ethics is what matters least." (jocax)
- 126-** "I find more just a civilization where there are no children starving nor Ferraris driving through the streets." (jocax)
- 125-** "When a product is scarce, what is more just: to privilege the wealthiest or to use a queue system?" (jocax)
- 124-** "Reality: Everything that exists independently of an interpreter, OR whose interpretation does not depend on another interpreter." (jocax)
- 123-** "The height of Human Hypocrisy is to claim that God is truth and yet discard this hypothesis in all scientific publications!" (jocax)
- 122-** "If God wanted the universe to have a certain final configuration, why did He not create it that way from the start?" (jocax)
- 121-** "Evidence: An observation that, to be discarded, would require more unlikely hypotheses than to be accepted." (jocax)

120- "For the exporting capitalist, the unemployment crisis is profitable: the average wage falls and profits rise." (jocax)

119- "I feel, therefore something exists." (jocax)

118- "The Elite has formed a 'CASTE' within Justice (buying them with immoral salaries) to protect themselves from the injustices they commit." (jocax)

117- "The left's priority is to end hunger among the poorest; the right's is to increase the profits of the richest." (jocax)

116- "Voting blank is the same as saying: 'I allow you, without me, to choose who will govern us'." (jocax)

115- "Whoever is deceived by the fables of the bible can be deceived by anything." (jocax)

114- "The Doctor is right to be furious: he studies for years, does his residency, saves the child, and then the mother goes to thank a nonexistent being?!?" (jocax)

113- "For the capitalist, the greatest pain is the pain of the pocket." (jocax)

112- "What can be said of Human Nature when in a game or competition the pleasure lies precisely in defeating the opponent (making them suffer)?" (jocax)

111- "The Left fights for the poor, the right for the nobles." (jocax)

110- "Every wealthy psychopath TENDS to be RIGHT-WING since they feel no empathy for the suffering of the humblest." (jocax)

109- "To destroy a country and seize its riches, it is cheaper and more effective to buy politicians and judges than to drop bombs and send soldiers." (jocax)

108- "Suffering, in general, carries more weight in the calculation of happiness than pleasure; therefore, voting left is to collaborate for a happier society." (jocax)

107- "If people believe that woman came from a rib and that she heard a talking snake, then deceiving them into thinking the corrupt are honest and the honest are thieves is the easiest thing in the world." (jocax)

106- "No war could be declared without a popular referendum." (jocax)

105- "Privatizing is a self-declaration of administrative incompetence." (jocax)

103- "God is a way of making 'slaves' (commonly known as workers) more passive and tolerant in the face of the oppression and exploitation imposed on them by the system and the ruling class." (jocax)

102- "Remuneration should be proportional to the happiness produced." (jocax)

101- "Part of me lives in you." (jocax)

100- "Why does the believer fear death (and the death of their loved ones) so much if God and paradise await them?" (jocax)

099- "The Jocaxian Nothingness is more powerful than God, were He to exist, for it would not be limited by goodness." (jocax)

098- "The Jocaxian Nothingness is the Universe in its minimal state and freedom in its maximal state." (jocax)

097- "Tithe: Does God need money?" (jocax)

096- "The fact that science may be (or is) wrong does not imply that religions are right. Quite the contrary: they are all mutually incompatible, which proves that at minimum, all but one are necessarily wrong." (jocax)

095- "Religion is the MATRIX of the Oppressive System." (jocax)

094- "The role of divinity, and of religions, is to tame the people, to give them false hopes so that they do not fight for their rights in life." (jocax)

093- "Religion is only tolerable within hypocrisy." (jocax)

092- "If God existed, I would hate Him." (jocax)

091- "Religion is a danger that can and should be avoided." (jocax)

090- "The right thinks more about maintaining or increasing its privileges; the left thinks about alleviating the suffering of the most needy." (jocax)

089- "If religion and its superstitions had been challenged from the beginning of time, there would not be this mob of believers and fanatics around the world who have killed and still kill so many in the name of God." (jocax)

088- "Superstition is what you label it when the religion is not YOUR own." (jocax)

087- "There is no proof that God exists for a simple reason: any 'proof' that God exists would equally serve to prove the existence of the 'Jocaxian Little Blue Devil'. Therefore, it is impossible to prove the existence of God." (jocax)

086- "Past Happiness is part of the history of the Universe and cannot be changed." (jocax)

085- "Preventing an action is not the same as preventing Free Will. When police stop a crime, they are not taking anyone's free will; they are merely preventing the consequence of the criminal's Free Will. Otherwise, why should the criminal's free will be respected and not that of the victim?" (jocax)

084- "The Egyptian dynasties lasted more than five thousand years and succumbed; capitalism has not yet reached 500 years and already shows clear signs that it will not last much longer." (jocax)

083- "In a just society there cannot be millionaires as long as a single child goes hungry." (jocax)

082- "God is the greatest collective hypocrisy in the history of humanity." (jocax)

081- "If all laws were always followed, there would be no revolutions." (jocax)

080- "The worst of religion occurs when one truly believes in it." (jocax)

079- "Nothingness does not contain the rule 'Nothing can happen'." (jocax)

078- "Laws are not above ethics." (jocax)

077- "Reason must serve Happiness." (jocax)

076- "Economic Liberalism is a doctrine that intends to entrust the henhouse to the care of foxes." (jocax)

075- "Our genes are our most precious asset." (jocax)

074- "Religion is the 'Matrix' of the Capitalist system." (jocax)

073- "Placing consciousness in an immaterial entity is the same as placing the origin of life on a comet: it does not solve the problem, it merely pushes it to an even more mysterious place." (jocax)

072- "If we are ommissive, we will witness our grandchildren having creationism in science classes." (jocax)

071- "Laws were not necessarily made by people better or more just than you." (jocax)

070- "The burden of proof rests with whoever contradicts Occam's Razor." (jocax)

069- "Religion is the worst garbage produced by human culture." (jocax)

068- "If Philosophy did not concern itself with Truth, the GRIMM brothers would be the greatest philosophers on the planet." (jocax)

067- "Prayer is the most subtle form of keeping a people Alienated and Passive." (jocax)

066- "If someone proves me wrong, I can only be grateful." (jocax)

065- "'Religious Fanatic' is how Religious Hypocrites label those who truly have faith and believe in their religion." (jocax)

064- "Madness is often a way for genes to try to free themselves from the servitude imposed by memes." (jocax)

063- "Religious Faith is the irrational belief in the absurd." (jocax)

062- "Happiness is walking the path of genetic perpetuation." (jocax)

061- "To accept without questioning is the sure path to stupefaction." (jocax)

060- "Capitalism is the system that generates the most insecurity on the planet." (jocax)

059- "Nothingness is unstable, since there are no laws, and anything can happen." (jocax)

058- "All science is based on induction." (jocax)

057- "True Justice must be the set of laws and actions aimed at maximizing happiness." (jocax)

056- "Love is an instinct, programmed into us by genes, to perform Quality Control on the person who could be the father/mother of our child(ren)." (jocax)

055- "The future economic system that will replace capitalism should be based not on profit, but on solidarity and duty." (jocax)

054- "A political-economic system based on growth is not sustainable and must be replaced, for since resources are finite, one cannot grow forever." (jocax)

053- "Suffering, in general, plays a stronger role in the calculation of happiness than Pleasure." (jocax)

052- "The foundation of religions is ignorance." (jocax)

051- "An individual's remuneration should be proportional to the amount of happiness they generate or enhance in society." (jocax)

050- "Pride is an instinct that aims to protect you from someone you like who does not like you back." (jocax)

049- "Time is the quantity of events that have occurred in the Universe." (jocax)

048- "Praying is a cowardly way of pretending to help without feeling remorse." (jocax)

047- "The problem of death is the happiness that will cease to be felt." (jocax)

046- "Justice was shaped by the elites to protect themselves." (jocax)

045- "It is easier to move a mountain than to alter a belief." (jocax)

044- "Religion feeds, on one hand, on fear and, on the other, on the illusion of immortality." (jocax)

043- "Capitalism is a system that prepares people and all of society to serve the capital-owning elites, not to increase the happiness of the system." (jocax)

042- "Political Power does not exist without obedience." (jocax)

041- "The religious illusion is sometimes so seductive that many make it a reality within their seduced minds." (jocax)

040- "The Great Danger of religion occurs when the person truly comes to believe with absolute certainty that it is true." (jocax)

039- "The Elites, the ruling classes, abominate taxes, for it is taxes that allow a little of the wealth to reach the most needy layers of society." (jocax)

038- "Age is not a cage." (jocax)

037- "Without government taxes we will return to the era of feudal lords — the elites would love it." (jocax)

036- "Many prefer the cowardly comfort of conformism to the courageous risks of change." (jocax)

035- "If intelligence did not depend on genes, alligators raised with humans could also learn physics." (jocax)

034- "Faith is a belief that need not be grounded in any evidence or reason, and is therefore at the very least very dangerous." (jocax)

033- "Genes do not determine exactly one's I.Q., but rather the maximum limit for it." (jocax)

032- "Seek the truth by doubting first, before believing." (jocax)

031- "Doubt is the opposite of Faith and the engine of modern knowledge." (jocax)

030- "Conscious action arises from the unconscious actions of brain physics." (jocax)

029- "Anything different from Nothingness needs a simpler origin to exist." (jocax)

028- "We are our genes." (jocax)

027- "Capitalism aims at profit, genism at happiness." (jocax)

026- "Whoever declares war should lead the front line of combatants." (jocax)

025- "A truly free press is one where any person or representative of society can express their opinions, not just its well-paid journalists." (jocax)

024- "If God is all-powerful and wants us to love Him, He could use that power to make us believe He exists. If He cannot do this, He is not all-powerful, or He does not want us to love Him; therefore, an all-powerful God does not exist or He likes atheists." (jocax)

023- "The most just and ethical action is the one that leads us most swiftly to 'DeuX'." (jocax)

022- "The 'why' can be explained by the 'how' if the 'how' is sufficiently detailed." (jocax)

021- "Free Will vs. Omniscience: 'Can you do something different from what God knows you will do?'" (jocax)

020- "'Justice', in the capitalist system, was built by the elites who used injustice to benefit themselves." (jocax)

019- "Religion enslaves the mind and corrupts the way of thinking." (jocax)

018- "The way the believer deals with religious contradictions is to adopt double standards — the only way to coexist in their contradictory world." (jocax)

017- "Omniscience is like a reel of film: the events are already recorded on the strip and nothing can change the story of the film." (jocax)

016- "While the majority dream of an unreal paradise, a fortunate few live in the real paradise, generated and maintained by the sweat and illusion of those who dream." (jocax)

015- "Confusing Marxism with the atrocities committed by tyrants who claim to follow it is equivalent to asserting that it was Catholicism that engendered Hitler's genocides." (jocax)

014- "Widespread Privatizations are a self-declaration of administrative incompetence (or a way to steal public heritage)." (jocax)

013- "The Jocaxian Nothingness is the most rational explanation for the origin of the universe." (jocax)

012- "It is not belief in God that shapes a person's character, but above all, their genes." (jocax)

011- "One day it will be discovered that justice is achieved through the maximization of global happiness, as proposed by scientific meta-ethics. Until that happens, all ethics, law, and justice will be based on relative values, subject to all kinds of manipulation and subjectivity." (jocax)

010- "Living in fear of losing one's job, on which the survival of one's family depends, makes the worker a hostage of their employer, in a state of constant insecurity." (jocax)

009- "If God existed and were perfect, He would not need to be loved." (jocax)

008- "One should not be selfish by closing one's eyes to social injustices; one must at least show some indignation, opening the eyes of others who close theirs in their own navels." (jocax)

007- "jocax does not need to read the philosophers. It is the philosophers who need to read Jocax." (jocax)

006- "The role of religion in a political-exploitative system is to keep the people passive and alienated in the face of the injustices imposed on them by the ruling classes." (jocax)

005- "There must be something rotten in the human psyche when pleasure arises from the defeat of a competitor." (jocax)

004- "Capitalism, aiming at profit, induces the pursuit of wealth, ostentation, and luxury at the expense of more humane and solidarity-based values." (jocax)

003- "Darwin discovered the origin of species. Jocax, the origin of the Universe." (jocax)

002- "I do not understand how the majority of people believe in something so monstrously contrary to logic and common sense." (jocax)

001- "The World will not change by the force of arms, but by the power of ideas." (jocax)
